

Directions to Galgate Range;

Coming from Lancaster, turn right at the Galgate Traffic Lights;

Go under the railway bridge,

and turn left at the next junction, signposted Condor Green;

Suggest you park here, just before the Canal Bridge (avoid parking on the left side opposite the

bungalows if possible...keeps the locals happy), or just before the Bridge.

Then walk to the Gate.

You can park on the field if you want, but access isn't great and your car might attract the attention of the Horses.
